The Difference Between Moths And Butterflies

The Difference Between Moths And Butterflies My Interest In Moths Has Grown From Trying To Identify An Unknown Butterfly, Which Led Me To Day-flying Moths, And This In Turn Led To The Other Moths. I Was Surprised To Learn That There Are Between 20,000 And 30,000 Species Of Moth In Australia (compared With Around 400 Butterflies), And That, As A Result, There Are No Complete Identification ...
