Plants Used By The Indians Of The United States

Of southern California make therefrom excellent horse blankets. All the tribes living in the country where this plant is found, use it to make ropes, twine, nets, hats, hair brushes, shoes, and mattresses. The Diegenos of southern California have brought the uses of this plant to notice by the various articles they make from its fibres, and sell to white settlers. In preparing a warp ... Apr 7th, 2020

ANTHROPOLOGISTS AND THE BIBLE - LSE Research Online

Customs of societies at a similar level of development were essentially the same. So contemporary primitive societies could be treated as stand-ins for past societies at an equivalent stage of development. The notions of the American Indians, perhaps, or at a higher level, the Tahitians, provided living instances of conceptions and beliefs that had once been very widespread. To know one was to ...
